Live Our Story

(SYF 2012 Theme Song)

Let us join in song
As we come together
Different voices sound
Though unique, blending as one
As we blaze a trail
Pathways lie before us
Future's in our sight
We take flight

Chorus:
Come see us
Live our story
Daring to dream our dreams
Moving as one
Powered by new desires
Imaginations stir, so alive
And as we
Live our story
Promises to fulfil
Realizing
Everything we could be
Tomorrow's in the hands, of us all
Live our story

GOH's Message

Everyone has dreams from the earliest days of our lives, possibly even before our primary school days, and continues to have them till today. For instance, I have always dreamt about being able to fly as will to save the world when I was very young, just like 'Superman' from DC Comics. My dreams have changed over time, however. This happens when I begin to learn or understand the intricacies of the real life and environment we live in. This is the same evolution process that every one of you is experiencing now, as you learn from within and outside of your school. Your actual dreams (the "WHAT") have changed, but that doesn't mean you stop dreaming. How we plan to achieve our dreams (the "HOW") in real life is in fact more important than the dream itself. It doesn't matter if your dream is big or small, as long as it brings good value to yourself and the community. Some people dream to be doctors or lawyers, while others dream to be a nurse or a social worker. In my opinion, both are great dreams, because ultimately your goal is **to contribute constructively** back to the society in different ways. At the same time it makes you **a better person** over time. As long as you dare to dream from young and plan to achieve them over time, I am sure your dreams would become a reality in the end. Remember, it's the **"What" plus "How"** that will bring you the "Results" of your dreams. Dare to dream!

Dare to dream.

Believe in yourself and in your dream.

**Though impossible things may seem today,
Someday, somehow, you'll get through to the
goal you have dreamt!**

Dare!

My dream is...
