Dear Parent/Guardian,

Updates on Academic Progress – Primary 6

From 2023, the Mid-Year Examinations (MYE) for Primary 6 is removed to reduce the excessive focus on examinations and provide more time and space for the development of 21st Century Competencies (21CC). There will be reviews at the end of Terms 1 to 2 to keep you updated on the academic progress of your child/ward. In Term 3, there will be Preliminary Examinations followed by Primary School Leaving Examinations (PSLE) in Term 4.

The Termly Review 2 will be conducted around the end of Term 2. The topics/units to be assessed for each subject and the dates are appended to this letter. Kindly note that students who are absent due to medical reasons must be covered by a medical certificate (MC). Students without an MC will not be awarded any marks for the Termly Review he/she is absent for.

Please complete the Acknowledgement Slip and have your child/ward return it to his/her Form Teacher or via Parents Gateway by **Monday, 8 April 2024**.

As parent/guardian, you may wish to support your child/ward by offering encouragement and positive reinforcement for his/her progress. Discuss his/her strengths and interests based on the various school activities and experiences. Create a plan to develop him/her in both academic and non-academic areas.

Thank you for your continued support in our commitment to your child/ward's education.

Yours sincerely,

MDM NG BOON SHUEN
