Notification to Parents/Guardians of MOE FAS AND SCHOOL-BASED FAS Recipients 2016

Dear Parents/Guardians

Dazhong Primary School Meals Programme

1. The Dazhong Primary School Meals Programme was implemented with the intent to provide pupils on Financial Assistance Scheme with proper meals in a school day. We would like to inform that your child will be eligible for breakfast and lunch meals subsidy at a cap of \$2.00 per meal during the school terms in 2016.
2. Please note that lunch meal subsidy is applicable for school days when your child is required to stay beyond school curriculum hours for remediation, supplementary classes or CCAs. Any unused subsidy is not refundable or carried over to the next school day. Pupils are advised to gainfully utilise the meal subsidy for food items. A standard set meal (which is compliant with Health Promotion Board healthy guidelines) is priced at \$1.20 for all the school food stalls.

Electronic Meal (E-meal) Coupon System

3. The inception of the Electronic Meal (E-Meal) Coupon System in 2015 has helped to ease the administration of the school meals programme. Instead of distributing hardcopy coupons to pupils, the school programmed and activated the FAS recipients' School Smart Card (SSC) in the E-Meal Coupon System. Pupils are required to bring along their SSC and use it to 'buy' food at the food stall. The cost of the food item will be deducted from the \$2.00 value for each meal.

New Recipients for MOE or School-Based Financial Assistance Scheme

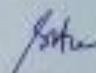

4. If your child/ ward is a new recipient of the MOE or School-Based Financial Assistance Scheme, please advise your child/ ward to approach the General Office Staff together with his/ her School Smart Card (SSC) to allow us to register in the system by 3 January 2016.

- For Primary 1 pupils, the school will issue a Meal Subsidy System Card for their temporary usage as their School Smart Card will only be issued to them in April 2016. Please make sure the Meal Subsidy System Card issued to your child is returned to the school at the General Office directly when it is no longer in use. Please be informed that pupils who lost or misplaced the issued Meal Subsidy System Card are required to pay \$4.00 for the replacement of the card at the General Office.
- Kindly complete and detach the acknowledgement form below and return it to the General Office by 8 January 2016.

Thank you.

Yours faithfully

Mrs Ng-Teo Sock Hua
Principal
